David, sorry I didn't include this with the other alignments requested yesterday.

I would like to align SEQ ID NO:6 with sequence revisions of GenBank Accession Number AC048370 as follows:

Align SEQ ID NO:6 against gi 7549700, gi ^{YES}7770518, and gi ^{YES}10047869.

Please save results to diskette.

Thank you very much.
